Important Reminders:

As always, there will be no finals in any event. Participants will be racing against time. Though a person may finish first in his/her heat, this does not automatically place them in the top three overall division standings. ALL top three finishers may be from another faster heat.

Heats and lanes will be assigned at random.

We understand that some divisions don't begin their races until a specific time. Under no circumstance does this excuse these participants from being present at the check in time indicated for their division.

The last race for 1ST through 4th graders will end at 1:20pm. They cannot do Long Jump or Shot Put past 3pm.

The first race for 5th through 8th graders does not begin until 1:20pm, check in at 12:45. These students can come as early as 11:00am to do Long Jump and Shot Put.

Please make the necessary arrangements to have supervision over those participants who are waiting for their name and event to be called. No children should be left unsupervised on the track.

Results will be posted as soon as possible. A copy of the results and the medals will be given to the school for distribution to the athletes at a later date.

All participants in any event must wear a bib number (number on their chest) and run with a hip number (sticker on their hip).

Medals will be awarded as soon as the event is over and the results are available.
