Dear Parents:

The Athletic Department will be participating in numerous scrimmage games with different schools for additional games for our student athletes this school year. This will be a great opportunity for your child to play schools in our surrounding community as we look into more friendly/scrimmages for our students to participate.

Our 8th grade girl's and boy's team will be kicking-off our scrimmage games September 19, 2017 at Roosevelt Middle School.

Parents will need to transport their child to the game and immediately picked-up after the game. Also, players are required to wear their game uniforms.

Please if you have any questions feel free to email me at tomik.iranosian@chamlia.org.

Thank you & GO TIGERS!!
