Dear Parents:

The Athletic Department will be participating in numerous scrimmage games with different schools for additional games for our student athletes this school year. This will be a great opportunity for your child to play schools in our surrounding community as we look into more friendly/scrimmages for our students to participate.

Our 8th grade girl's and boy's team will be kicking-off our scrimmage games October 18, 2016 at Roosevelt Middle School.

Parents will need to transport their child to the game and immediately picked-up after the game. Also, players are required to be in P.E. uniform shirt and shorts at the game.

Please if you have any questions feel free to email me at tomik.iranosian@chamlan.org .

Thank you & GO TIGERS!!
