## *Give the Gift of Reading*

### **How can you support the new Anita Torosian Literacy & Resource Center?**

You can support our school's "Give the Gift of Reading" Campaign by choosing a book from a special collection of library books available at the Book Fair (3/12-3/16). For \$20 your child can select a book and receive a specialized bookplate with your child's name placed permanently in the book.

**\$20 per book**
